

MAIN STREET VILLAGE

Main Street Village residents have been brushing off their glad rags, enjoying a high tea on Oaks Day and a special Christmas lunch recently. The "fashions off the field" winners were very stylish on Oaks Day and guests at Christmas lunch joined in a rousing round of carols led by the Voices of Casey Choir.

POINT COOK VILLAGE

It's been a busy springtime in Point Cook, as residents joined in all the fun of the Spring Carnival. The annual Artisans Market was a great success, and in between, residents have found time to enjoy golf and Elvis (though not necessarily all at once!)

MARTHA COVE VILLAGE

Entertainment and events at Martha Cove Village will be enhanced by the new stage which was constructed by some of our talented residents in the village. Events both colorful and reflective have filled the social calendar in Spring - including a beautiful service held on Remembrance Day.
