

MARTHA COVE VILLAGE

As the final villas undergo construction at Martha Cove Village, the residents are busily creating a community with a vibrant social life. The Spring Racing Carnival brought plenty of opportunities for residents to dust off their finery and have a flutter in the sweep while enjoying chicken and champagne on Cup Day and Oaks Day. The village bus was also christened on its first trip, ferrying residents to see a dance concert in Donvale. Looks like they could be having too much fun!

BELEURA VILLAGE MORNINGTON

For residents of Beleura Village Mornington, life is a social whirl! Hawthorn fans enjoyed cheering on their boys while watching the game on the big screen. A dinner dance kept things lively in spring, and it was a case of Fashions in the Clubhouse, when the community came together for the 'race that stops the nation'. Competition for Best Dressed Lady and Gentleman was fierce, and it was a hard task for the judges to decide. After a glamorous parade, the winners were gridders as they received their sashes.
